WELCOME

We atRal Partha welcome you to the first year in the decade of the nineteens and thank you for your loyal patronage. The eighties were very rewarding but we’re sure you’ll find that 1991 soars well above the past.

More is our word for 1991. More ADVANCED DUNGEONS & DRAGONS® Characters and Monsters as well as Battlesystem Brigades and a special release of an all new BASIC DUNGEONS & DRAGONS® Heroes Set for the spring.

More in the world of FASA’s BATTLETECH® lumbers your way in the form of new, towering Mechs, including in 1991 the upcoming release of the Omni Mech Boxed Set. Expect more Aerospace Fighters, Tanks and Ground Troops to follow in the Mechs' wake.

More Ral Partha Miniatures; our own lines of Personalities, Dragons, Monsters, Historical Armies and more are growing constantly. Look for our new Boxed Sets and Blisterpacks in stores near you.

More of your favorite miniatures fill our 1991 catalog. Welcome to this exciting new year!
Reap the harvest of Tom Meier's fertile imagination as you choose from among high priests, witches, wizards, dragons, champions and more. All the creatures of your fantasies.

RAL PARTHA is the only company to bring you the greatest idea for roleplaying since the invention of home pizza delivery: the Three Stage Character. Each set provides three figures of the same character. Each represents a different level in the character’s career. The first represents your adventurer, humble and poor, in the beginning of a dangerous career. The second miniature shows your character better equipped, confident, one who has achieved respect through daring exploits. The last demonstrates the character at the peak of their career, a lord among lords, one to be feared and reckoned with. Now you can follow your character through life and always have the appropriate miniature to place on the field of play. The Three Stage Player Character Set eliminates any confusion of mixing and matching figures during a lengthy campaign. The sculptors at Ral Partha have made gaming even more exciting by providing an incredible selection of character types in three stages of time and power!
